**BY GUS MALBERT.**

Ineffective pitching, coupled with errors, allowed Petersburg to win the afternoon game here yesterday, before one of the largest crowds ever witnessing a ball game at the Broad Street lot. By the up-and-down score of 14 to 5, Richmond won the morning game in Petersburg, 7 to 3.

It was another of those occasions which clearly demonstrated that the Colts are sadly lacking in the flinging department. Rapp, who played second Monday, was selected to do the work, and pitted against him was Handy Andy Bruckmiller, who presents the class of the league when it comes to slugging. Rapp lasted exactly four innings, or, at least, he was allowed to remain that long by Manager Cowan. In that brief space, six hits, aided by some poor playing on the part of Ezekiel, who was substituting at second, brought home five Goobers tallies, just as many as the Colts gathered in the entire game.

**Pierce Couldn't Help.**

Pierce carried the white flag to the net and attempted to stem the tide, but it was no use. Those Goobers were not to be stopped. They jumped on Pierce and swatted him to the extent of two hits, including every kind but a home run, and added nine more tallies to the grand total. While ineffective fielding was responsible for some of the scoring in the earlier stages, it was nothing but the hit and run in the latter stages, with every Goober but Keilher and Bruckmiller crossing at least once, and all but Bruckmiller credited with safeties.

Gooberville was happy, for he it known that the Appomattox came over in hordes. The Battle of the Crater was a feeble whisper compared with the noise they made as they came with the big "P" on his shirt front crossed the rubber, adding to the telling defeat administered the locals. And it happened in Richmond, which made the enjoyment superlative.

**Both Score in First.**

In the very first round of the mill Helme Busch started the run getting. Bowen struck out, but Booe beat an infield tap, and with the first ball pitched started for second. George threw wide to Ezekiel, who was willing to take the throw, and the semitro allowed the ball to get away from him, and Booe, who is some runner, kept on to third. Busch was up, and he took two good ones. Booe got a lead off, and while Rapp was winding up started on his path to the plate. He would have stolen home, but Busch, deciding to take no chances, poked the next throw ball, even though it was a waste ball down the first base line, while Booe crossed, the visiting manager dying at the initial catch. Keilher popped to Mattis and the inning was over.

Richmond tied it up in the last of the game frame. Baker, Stein hit, and stole, although Wallace stood in front of the plate, and let the last strike come over without attempting to aid Baker going down. McCabe beat out an infield hit on a mighty close decision, advancing Baker to third. Martino drove a ball snoring away to left, and Baker scored, McCabe reaching second. Martin bowled the ball through Bruckmiller, and stole, but Dobson flew to centre, and the inning was over.

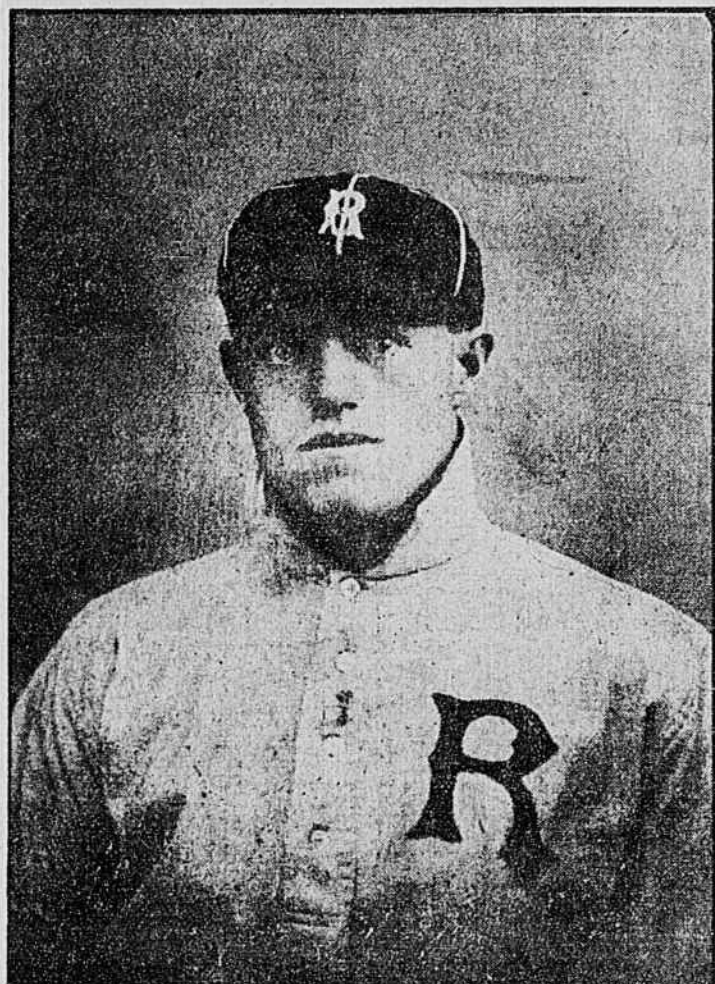

**Nothing in Second.**

Spencer started the second by beating out an infield hit. Stein hit to centre, advancing the runner to third, and took second on the throw-in. Spencer was caught at third, and Benbow and Salvage were easy outs, so that the two hits availed nothing.

For Richmond Cowan walked and Ezekiel put him on second with a sacrifice. Rapp struck, and Baker grounded from Bowen to Keilher. The Goobers scored in the third. Booe beat out another diamond scratch, and again stole second. Busch doubled

## SOME BIG EVENTS IN SPORTING LINE

Old Dominion Motorcycle Club Pulls Off Show at Fair Grounds.

### BABIES WIN HIGH HONORS

No Automobile Races, Because Official Board Refused Its Sanction.

Without a single piece of fireworks and without a mishap to mar the day, the Old Dominion Motorcycle Club celebrated the Fourth of July yesterday with horse and motorcycle races, a wrestling match, exhibition automobile races, and last, but not least, by a baby show, in which many proud and beaming mothers exhibited mother's joy and father's hope to an admiring public.

A large crowd was present, and the grandstand was unusually well filled considering the heat of the day and the dust with which the seeker after pleasure in the State Fair grounds is usually covered. The exercises were opened by an address by D. C. O'Flaherty, who, speaking from the centre of the grandstand, reminded the people of the greatness of their republic and the achievements of their State. He reviewed also the progress of the arts and sciences, and showed how the years had piled achievement upon achievement, until it would almost seem that science and human knowledge could achieve no more. His speech was well received, and he was graciously applauded.

Then began the actual fun, which continued until after 7 o'clock, when, wearied out with pleasure, a little hungry and thirsty, the crowd began to dwindle away for the quieter celebrations to be held at home.

### Races Not Sanctioned.

Each event came off according to program, except that there were no automobile races, only individual races against time. The autoists were afraid to enter their cars in races, owing to the fact that the meet had not been sanctioned by the American Automobile Association. But there were good motorcycle and horse races, and the automobile races against time were well worth the seeing, though no records were broken.

As much as anything else, the baby show attracted attention. The judges were the venerable John J. Crutcher, John Harwood and John L. Satterfield, chosen because they are paternalists themselves and good judges of babies. After taking a careful and cautious view of the specimens present, the judges awarded the first prize to Eulalia, the eight-month-old daughter of Mrs. R. A. Adcock, 112 West Cary Street, the second prize going to Ray, the twelve-month-old son of Mrs. M. E. Franklin, of 302 South Linden Street.

## WOLGAST MORE FIRMLY THAN EVER ON LIGHTWEIGHT THRONE

### AD WOLGAST

Lightweight champion of the world, who gained the title by defeating Owen Moran yesterday.

Decisive Victory Over Owen Moran in Thirteenth Round.

## CLAIM OF FOUL IS DISALLOWED

American, From First Tap of Gong, Carries Fight to Opponent, and Terrific Pace Never Slackens—Tearing Fighter Wins in Battle With Clever Boxer.

San Francisco, July 4.—The measured swing of Referee Welsh's arm tolling off the ten seconds over the writhing body of Owen Moran, of England, brought victory to Ad Wolgast in the thirteenth round of to-day's international battle for the lightweight championship. It was a clean knockout, and the decisive victory was earned by the rugged strength and punishing power of the champion.

Right upper cuts to the stomach, followed by a left hook to the jaw, forced the game little English fighter to take the count for the first time in his eleven years in the ring. Moran came up undistressed for the unlucky thirteenth round, although it was plain he was tiring. Wolgast met him with a well-timed right, and forced his way to close quarters. Moran checked him with a left jab, but was backed against the ropes in his corner. Suddenly Wolgast whipped his right arm free from the clinch, and swinging from his hip, sent his glove crashing three times to the pit of Moran's stomach.

Moran's face whitened and twisted with agony under the smear of blood from his cut lips. He groped blindly to smother that blow, when his knees gave way and he slipped to the brown canvas that covered the ring.

The champion whipped over a left hook to the jaw as Moran fell, but it was not needed. Moran rolled on his side, and his legs scrambled for a footing, but his mouth was open, and his eyes rolled back, and the shouting crowd brought the man to his deadened senses. It was several minutes before he regained consciousness. As Wolgast turned to his corner, more firmly planted than ever on the lightweight throne, a grin flashed across his bleeding lips, and he plucked with his gloved hands at the American flag he wore about his waist. The Britisher was smothered in the throng of admirers who surged into the ring, untied the battle-scarred flag and waved it over Wolgast's head. Moran's seconds entered a claim of a foul, but the blows in question were plainly on Moran about his right side, and the protest was disallowed.

**Terrific Pace.**

Never for a moment during the battle did the terrific pace slacken. The American carried the fight to his opponent from the first tap of the gong, as Moran was never able to keep him at long range.

It was in clinches that the champion showed to best advantage. Moran was unable to perfect a defense against the short, ripping right uppercuts. Wolgast worked to his ribs and the "loop the loop" punch, a right uppercut to the face outside his own left arm that snapped the Britisher's head back repeatedly, and kept his mouth bleeding from the first round.

At long range Moran clearly outpointed the Michigan boy, and his clever ducking and footwork extricated him from many a tight corner. It was a battle of a clever and experienced boxer, against a tearing, ripping fighter, and the fight weathered the storm, with never a sign of distress.

It was a rough fight from the start. As the first round opened Moran came willingly to close quarters, but was met with a volley of short lefts to the face, and a right uppercut that brought blood from his lips. It was the champion's round by a wide margin, and Moran came back for the second with instructions to stay away. With wonderful judgment of distance, he slipped away from Wolgast's vicious swings, flashing in with clean-cut lefts and rights as the champion opened up. It was Moran's round, and he continued to pursue the same tactics throughout the fight. When forced to close quarters in the third, Moran fought back viciously. They roughed it head to head, Wolgast working his right to the face, and Moran working his left hand and forearm into Ad's chin and face, and holding the champion even. Both were bleeding when the round closed. Moran seemed to gain confidence as the fight progressed. Shifting in and out as lightning, he landed cleanly repeated blows throughout the fourth, fifth and sixth rounds, rocking Ad's head with hard, clean punches and making Wolgast look almost like an amateur, by the way he avoided his swings.

His cleverness brought frequent applause from the crowd, but he never stopped Wolgast's steady advances, and Wolgast plainly was the stronger. In the seventh Wolgast forced the Englishman to the ropes, where they fought toe to toe, until parted by the referee. Moran having all the better of the exchange, but Wolgast evened matters before the round was over by his wicked uppercut. Wolgast bored in, and although Owen put his right often to Ad's head in the eighth and ninth rounds, he was unable to stop him or slow the furious pace, and seemed to be weakening.

Remarkable Bure of Speed. His seconds worked desperately over (Continued on Third Page.)

## COLLEGIANS WIN BOTH GAMES

Defeat Charlottesville Y. M. C. A. Both Morning and Afternoon in University Town.

Charlottesville, Va., July 4.—The Richmond Collegians and the Charlottesville Y. M. C. A. baseball team played a double-header today on the Horse Show grounds, despite the intense heat.

The Richmond team copped the morning game by a score of 3 to 7, and the afternoon game 7 to 6. The association team had everything its own way for six innings. Rixey, Virginia's star twirler, fanned the first ten men who faced him and allowed only one hit, and that a scratch. In the seventh inning, however, the heat proved too much for him and he collapsed, the Collegians sending seven men across the plate and tying the score. Four hits were made by the visitors in this session, two of them doubles by Stittinger and E. Rose.

The Collegians won out in the eighth. Stittinger, the first man up, nailed a three-bagger to right field, and counted on E. Rose's timely swat to centre.

Hinchman pitched a clever game, having thirteen strikeouts to his credit. He lightened up as the game progressed and finished very strong. After the collapse of the Y. M. C. A. battery, Rixey and Gooch, Chewing went in the box and Maupin behind the bat. During the seven inning he pitched, Rixey struck out seventeen, and in the sixth inning knocked the ball over the centre-field fence. His fast sprint around the bags, however, proved his undoing, for in the next session he went to pieces.

A feature of the contest was Collins' catch of Hall's foul fly in the second inning.

## WORLD'S RECORD MADE BY BURMAN

With Flying Start, Makes Circuit of Mile Track in 48:72 Seconds.

New York, July 4.—A new world's automobile record for one mile was established by Bob Burman to-day at the Brighton Beach Motordrome, at the conclusion of the two-day race meeting. The record fell when Burman in his Blitzen Benz, with a flying start, made a circuit of the mile track in 48:72 seconds, one fifth of a second better than De Palma, in a Fiat car, made last year at Syracuse.

Burman also won the Remy Brasard trophy by taking two straight heats of three miles each, with Len Zengle, driving a National, won the ten-mile event, and also the Australian pursuit race, after covering nearly twenty-four miles.

Pope-Hartford finished first with a test, after being compelled to leave the track for repairs at least four times. The other events were at five miles each for non-stock cars, in which Patschke with a Benz, Tyrone with a Corolla, and Tower, driving an E. M. F., were the winners.

## SHOOTERS IN ALL DAY TOURNAMENT

[Special to The Times-Dispatch.] Staunton, Va., July 4.—The Staunton Gun Club had an all-day trap shooting tournament to-day at Highland Park, which was participated in by a large number of shooters, several being from out of town. There were sixty-six valuable prizes. The sport was somewhat interfered with in the latter part of the day by light showers, and was over by the heat, which was very oppressive. All business was suspended here to-day in celebration of the Fourth.

## PITTSBURG WINS ATHLETIC MEET

Pittsburg, Pa., July 4.—In a series of athletic contests here to-day between the Olympic Club, of San Francisco, and the Pittsburg Athletic Association, the local men scored 55 points against 43 made by the California athletes. G. A. Dill, of P. A. A. Junior American champion five-mile runner, won the five-mile run from scratch. Roderick Ellsworth, of Monongahela, Pa., unattached, who is thirteen years old, started from the 500-yard mark and finished close behind the leader. The little fellow ran a remarkable race.

The 100-yard, 220-yard and 440-yard dashes were all won by the far Western men. The Pittsburg Athletic Association defeated the Olympic Club in the relay race by ten yards.
